

I have
COME so that
they may have

life

and have it to
the FULL

John 10:10

Following are ways you can help
SOCK it to POVERTY
in Uganda this World Mission Month:

1. Watch our 'Life to the Full-School Video' on YouTube and share it with your family and friends using the link: catholicmission.org.au/wmm2017video.
2. Set up an online Socktober fundraising activity with your fellow students and teachers and get them to ask their families and friends to sponsor them. This can be done as individuals or as a class. Go to socktober.org.au to get started.
3. Organise a Socktober or Ugandan-inspired fundraising activity or event at your school, and get your family and friends to sponsor you (talk to your teacher).
4. Collect cash donations from your family and friends and hand it in to your teacher.
5. Get your family and friends to donate to the 'Life to the Full' school's campaign online by using the link: catholicmission.org.au/wmm2017.

Please contact your local Catholic Mission Diocesan Director for Socktober fundraising ideas and to inform them of your fundraising activities.

WORLD MISSION MONTH 2017

**catholic
MISSION**
Reach out. Give life.

Here are some examples of how fundraising donations can help children coming from disadvantaged backgrounds in Uganda, like Harriet—and children in similar situations from all around the world—receive proper healthcare and education so that they may continue to learn and grow.

\$28[†] enables a catechist to provide catechism lessons for children for four months, helping them in their spiritual life. Faith is a source of strength for many in Uganda, especially when faced with challenging situations.

\$88 helps build a convent where religious sisters like Sister Mary can live, eat, pray and reflect while they take a break from their vital work serving the people of Uganda.

\$272^{*} provides schools materials and uniforms for five children in Uganda. This will ensure that they have the necessary materials they need to support their school education. Education unlocks a brighter, hope-filled future for the children, helping them break free from the cycle of poverty.

\$542^{*} contributes to the cost of an ambulance, ensuring that people in remote areas can reach health facilities in a safe and timely manner in the event of emergencies.

* These gifts are tax-deductible
