Pope Francis says World Mission Sunday 22nd October, is the opportunity to live out this call to mission.

He says "The Church's mission impels us to undertake a constant pilgrimage across the various deserts of life, through the different experiences of hunger and thirst for truth and justice."

He especially includes young people in this impulse to see the face of Jesus in each person: "How beautiful it is to see that young people are 'street preachers', joyfully bringing Jesus to every street, every town square and every corner of the earth!"

Mission Possible

Ways we can respond to Pope Francis and his WMD message: Pope Francis call on us to "develop a missionary heart everyone".

We can do this each day through our words, actions and attitudes.

Discuss the following examples:

- When you see a friend who is hurt and upset, take the time to ask if they need help.
- When you hear a friend saying something bad about someone else, ask them to stop and respect the person they are talking about.
- When one of your friends is struggling with work in class, ask if they would like you to help them.
- When your parents ask you to help at home, do it straight away with a smile.
- When you see an elderly neighbour who is carrying groceries, ask if they need a hand.
